

**MAJOR FIELD ASSESSMENT PLAN  
B. S. FAMILY & CONSUMER SCIENCES**

The mission of Southeastern Louisiana University is to meet the educational and cultural needs, primarily of Southeast Louisiana, to disseminate knowledge and to facilitate life-long learning through quality instruction, research and service in a safe, student-centered environment.

The purpose of the B.S. in Family and Consumer Sciences is to provide an interdisciplinary undergraduate degree program, that emphasizes the importance of a holistic perspective in preparing students to assist individuals, families and communities in improving their quality of life.

**Goal 1**

To prepare students to practice the profession of FCS within diverse areas of context.

A. Expected Outcome

Students graduating with a degree in FCS will demonstrate a satisfactory understanding of the interdisciplinary approach to the study of individuals, families and consumers.

Assessment

All graduates will earn a grade of C or better in FCS courses and in concentration courses.

B. Expected Outcome

All graduates will demonstrate satisfactory knowledge and skills for entry-level positions in FCS.

Assessment

All graduates will earn an overall GPA of 2.0 and will receive at least a C rating on their internship evaluation form completed by their supervisor.

C. Expected Outcome

Students graduating in FCS will have a positive opinion of their degree program.

Assessment

80% of the FCS graduates will indicate that they are satisfied with the overall quality of their degree program on the SLU Exit Survey.
