

# Memorandum

**To:** Dr. Michelle Hall, Director

**From:** Dr. Shirley Jacob, Department Head, Department of Teaching and Learning

**Date:** 1/8/2008

**Re:** Major Field Assessment –Middle School Education

---

Due to the fact that the middle school education program is a new program from the redesign, there is not enough data to warrant any changes on the Major Field Assessment for that program. This program will continue to be monitored and data gathered.

If you have questions, please let me know.
