www.southeastern.edu/admin/misa/pantry/ | 985-549-2296

Admissions/Enrollment Services/Enrollment Express: Do you have a question about how to drop a class or resign from the University? Before dropping a class online, you may want to call Enrollment Express to review your account to remain in good standing if you have scholarships or financial aid. There are specific requirements to retain your TOPS or other academic monetary awards.

www.southeastern.edu/scholarships | 985-549-2244

www.southeastern.edu/admissions | 985-549-2620

Retroactive Withdrawals: In the event that you must seek a withdrawal for medical, mental health, or other extenuating circumstances please contact the Dean of Students by emailing deanofstudents@southeastern.edu or call 985-549-3792

Foreign Language Center: The mission of the Foreign Language Resource Center (FLRC) is to provide the students, faculty, and community of Southeastern Louisiana University with a safe, encouraging space for the promotion, study, and teaching of world languages and cultures.

http://www.southeastern.edu/acad_research/depts/lang/flrc/index.html | 985-549-2291

Internet Resource Center: The Internet Resource Center, IRC, was established to serve both the faculty and the students within the College of Business. The IRC offers three state-of-the-art computer labs dedicated to meet general computing needs of students. These labs also provide the infrastructure to support the faculty's instructional needs.

http://www.southeastern.edu/acad_research/programs/irc/index.html | 985-549-3949

Math Drop-In Tutoring Lab: The Mathematics Technology Learning Center (located in Sims Memorial Library, Room 208) houses two hundred computers and is staffed by Mathematics Faculty, Graduate Assistants, and Undergraduate Tutors.

http://www.southeastern.edu/acad_research/depts/math/programs/tutoring_lab/index.html

Tinsley Learning Center: We are here to help! The TLC will offer a variety of academic resources for the fall semester, such as traditional tutoring sessions, Peer Assisted Study Sessions (PASS), Academic Workshops, and Embedded Tutoring and Supplemental Instruction for a limited number of courses. Interested?

http://www.southeastern.edu/acad_research/programs/cse/tutoring/index.html 985-549-3269

The Writing Center: The Writing Center at Southeastern Louisiana University is committed to promoting a culture of writing across the university's curriculum and dedicated to addressing the writing needs, interests, and concerns of students. The Writing Center is a resource center that provides consultations, enrichment, and training in the principles and skills of writing.

Appointments can be made by coming to the Writing Center or by email at writing@selu.edu

http://www.southeastern.edu/acad_research/programs/writing_center/index.html

Stile (Science & Technology Interactive Learning Experience): STILE is an outreach initiative of the Southeastern College of Science & Technology. The mission of STILE is to provide inclusive and equitable opportunities for all youth to engage in high-quality experiential learning that inspires and prepares them for the pursuit and successful completion of post-secondary STEM programs meeting the economic needs of Louisiana.
