PERFORMING ARTS PURPOSE STATEMENT

The Performing Arts faculty at Southeastern Louisiana University believes the performing arts to be a vital part of the human experience and an integral part of the University and community. The Performing Arts area dedicates itself to the cultural and educational enhancement of the region and nation, and functions within the general objectives of the University as described in its Role, Mission, and Scope Statement, and in its Strategic Priorities.

The Performing Arts area provides educational and creative opportunities in general education, scholarship, and the performing arts and performs many services to the University, community, and state.

Specific objectives include the following:

1. Offer varied opportunities for all university students to experience music, theatre, and dance in depth and breadth.
2. Provide specialized preparation for the professional areas of the performing arts.
3. Offers performances by students and faculty that provide educational experiences for the student participants as well as service and cultural enrichment to the University and community.
4. Provide leadership, educational materials, and resource personnel for elementary and secondary schools throughout the region.

The Music area is an institutional member of the National Association of Schools of Music, and as such upholds the ethical and professional standards of our disciplines.

BACHELOR OF MUSIC DEGREE

The Bachelor of Music degree is a professional degree for students desiring to specialize in music. The course of study may be taken in preparation for a career in performance, music education composition, private applied studio instruction, church music or as background leading to graduate study. Students entering this program should possess exceptional talent, the potential to develop high-level musicianship, artistic sensibilities, and a strong sense of commitment. Only students who are prepared to make a disciplined effort that must become a way of life beyond the degree years should enter the program. An audition in the student's primary performance medium (trumpet, piano, voice, etc.) is required for admission to the B.M. degree.

MUSIC EDUCATION

The Bachelor of Music with a Concentration in Vocal Music Education, and the Bachelor of Music with a Concentration in Instrumental Music Education degree meet state teacher certification requirements for grades K-12. The degree is designed for students preparing to become professional music educators.

RECITALS AND CONCERTS

Attendance at recitals, concerts, and music theater productions is required for all music majors. Each student is required to accommodate attendance expectations when formulating their academic and personal schedule.

ENSEMBLE EXPERIENCE REQUIREMENTS

Students in the Bachelor of Music or the Master of Music curriculum will be required to study at least one instrument in their primary performing medium and enroll in the appropriate applied instrument course throughout their program of study, except in the semester of full-time student teaching. Students are required to register each semester of full-time residence for specific major ensembles most closely related to their primary instrument(s). The choice of which instrumental or vocal ensemble will be made by the performance area directors. Pianists and guitarists can satisfy this requirement by selecting either a vocal or instrumental ensemble. Guitarists may also satisfy the requirement by performance in MUS 145/445 (Chamber Ensemble). Students must arrange personal and work schedules to avoid conflicts with ensemble commitments.

UPPER-DIVISION PERFORMANCE EXAM

All students majoring in music at the undergraduate level must pass an upper division qualifying performance exam. Successful completion of this exam will allow the student to enroll in 400 level applied music

courses. The student will be expected to display technical proficiency and artistic maturity through repertoire approved by all faculty in each applied area (Keyboard, Instrumental, and Vocal).

The upper division performance exam should be taken at the end of the student's fourth semester of applied study at the 100 level. If the student does not pass the exam on the first attempt, he or she will be granted a probation period of no more than two semesters of required applied study to retake the exam. At the end of the probation, if the student has not passed the exam, he or she will not be allowed to continue as a music major.

MINOR IN MUSIC

Students majoring in areas other than music and who possess sufficient aptitude and preparation may acquire a minor in music by completing twenty-four semester hours drawn from the areas of history, literature, theory and performance as follows: MUS 111/112 Music Theory are required, the remaining 18 credits to be selected from MUS 291 Fundamentals of Music, MUS 152 Introduction to Music Literature, MUS 354/355 Music History, and/or class piano, class voice, applied music, ensembles, or other appropriate courses as approved by the Head of the Department of Fine and Performing Arts (MUS 151 Introduction to Music may not be applied to the minor in music).

MUSIC THERAPY

Students considering a career in Music Therapy should acquire a Bachelors of Music degree with a Concentration in Music Education, with additional courses in psychology and special education; consult the Department Head for special course recommendations.

HONORS DIPLOMA IN THE DISCIPLINE

The department also offers an upper-division honors curriculum allowing its students to earn an honors diploma in the major at graduation. For information about requirements and honors courses in this department, please contact the Department Head.

DEPARTMENT OF FINE AND PERFORMING ARTS

The art curriculum has been planned to help students develop their ability to create images based on their experiences of, and in response to life; to study and transmit cultural heritage; to understand the role of art in society; and to increase critical sensitivity to the art of the present as well as the art of the past.

The program offers courses in studio and art history through multiple levels of understanding. The curriculum also includes a Concentration in Art Education that prepares students for certification to teach art in the public schools, grades K-12. The program is designed for students who desire a career in Art as well as for those students who wish to add aesthetic study to their preparation for other careers.

The major in Studio Art consists of sixty-five semester hours Visual Arts, which include twenty-four hours of core courses: 111, 112, 151, 152, 153, 231, and 281; twelve to fifteen hours of Art History including 105 and 106; twenty-seven hours of studio courses beyond the core courses (Twelve hours must be in the same discipline and include Senior Project); and an art elective, either art history or studio. A grade of "C" or better in all Visual Arts courses is required.

MISSION STATEMENT

The mission of Visual Art in Southeastern Louisiana University's Department of Fine and Performing Arts is to educate students in the visual arts and art education with a critical foundation that incorporates a strong background in art history and solid technical and conceptual skills, with an emphasis on the development of visual languages, tools for critical thinking, and the expression of creative visions.

Areas of Emphasis and Areas of Concentration

The Bachelor of Arts in Visual Arts degree offers areas of concentration and areas of emphasis-each supervised by a specific faculty member. All Visual Art students are required to take (at minimum) a series of four studio courses beyond the required foundation core within one area of emphasis (including Senior Projects).

Concentrations are more extensive studies in a specific area and are designed to give students the opportunity for greater depth and breadth of knowledge within one area of study. Requirements for individual concentrations are listed in the following pages of this catalogue. Students should meet with the designated faculty member/s for advising and guidance within their area of interest.

Students are required to pass Art 299 (Sophomore Review) prior to declaring an area of emphasis or concentration.
