Disqualification imposed as a result of violation of Infractions 1, 2, and 5 may not be appealed. The finding of guilt may be appealed, which if reversed eliminates the sanctions imposed. Appeals regarding the finding of repeated violations may address the finding of guilt for each violation. In such cases, the Judicial Branch of the Student Government Association will review the first reported finding of a violation before proceeding to the second issue. A reversal of the first finding will result in the pending second finding being treated as a first offense. Upholding of a first finding of violation of the Election Code will result in the second issue being treated as a second offense.
- 2.3. The Chief Justice of the Student Government Association will verify whether the appeal was submitted within the time frame permitted by this document. If not, the petition will be rejected and the decision of the Election Board will stand. The Chief Justice will notify in writing the Election Board and all parties involved in the case. Board hearing on the matter or refer the matter to the Supreme Court for review and appropriate action.

- 3.5. The student may appeal the Election Board's decision to reject the appeal or the results of a full Election Board hearing to the Judicial Branch of the Student Government Association by filing a written appeal within two days of the filing of the Election Board minutes. The appeal petition must be filed with the Office of Student Engagement within two days of the filing of the minutes.
- 3.6. The Chief Justice of the Student Government Association shall handle the appeal following the procedures outlined in Clause 10.3.
