## **Southeastern's Student Technology Fee Committee**

Southeastern's Student Technology Fee Committee was established in early 1999. The committee is currently comprised of the Student Government Association President and four members of SGA appointed by the SGA President and the following University administration representatives: Chief Information Officer, Vice President for Student Affairs, Assistant Vice President for Academic Programs, and the Director for Client Services. Meetings are held three times during the Fall and Spring Semesters and one time during the summer. The mission statement of the Student Technology Fee Committee is as follows:

---

The mission of the Student Technology Fee Committee is to facilitate communication and provide for periodic input and analysis of utilization of technology fee proceeds detailed in the Technology Fee Use Agreement. The committee provides a mechanism for consistent dialogue between members of the university administration and the Student Government Association regarding the effectiveness of the fee, feedback from users, and discussions about possible revisions in the use of technology fee proceeds.

---

The web site for the Student Technology Fee Committee continues to provide information about the fee to Southeastern students and other interested individuals. The address is: <http://www.selu.edu/admin/stf/index.html>.

Dr. William Wainwright, Southeastern President, and Ms. Lacey Johnson, Southeastern SGA President signed the 2023-2025 Student Technology Fee Usage Agreement.

### **Progress made during July 1, 2023 to December 31, 2023**
