

# TOOLKIT | PRESENTATION TEMPLATES

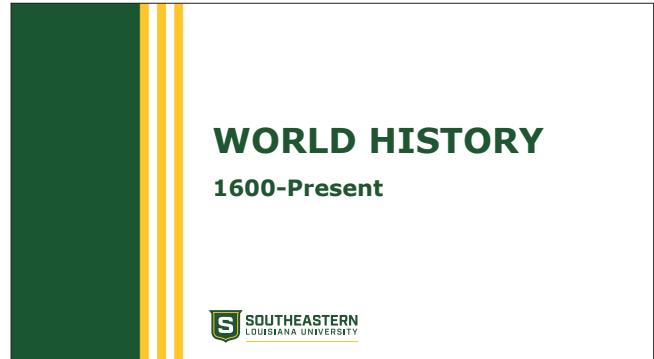

This toolkit is for when the Office of University of Marketing and Communications cannot meet the timeline needed for your project. There are two presentation template options available for your department's use.

There are three slide types in these documents:

- Title Slide
- Text Slide
- Photo Slide

Both presentations have text boxes and photo boxes set up already. They can be changed as needed. The logo present in option 1 can also be replaced with your department logo or section headers.

## OPTION 1

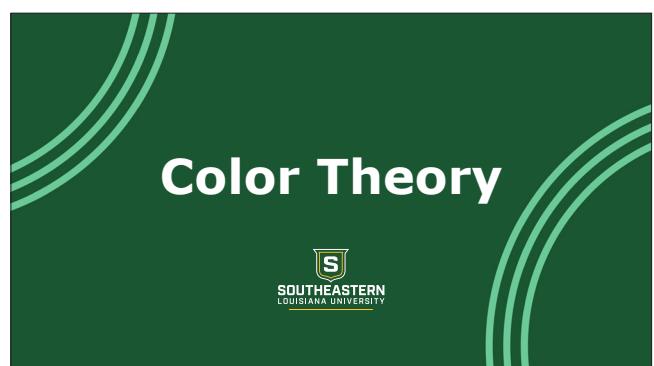

The title slide features a dark green background with a vertical yellow bar on the right side. The title "WORLD HISTORY" is at the top in bold green letters, followed by "1600-Present" in a smaller green font. The Southeastern Louisiana University logo is at the bottom.

The text slide has a white header with the "SOUTHEASTERN LOUISIANA UNIVERSITY" logo and three horizontal yellow bars. The main title "WORLD HISTORY" is in bold green letters. Below it are two columns of placeholder text: "Di ut ium eliquea peria doloria sent ent occae digene resequi aspit eos am rese" and "• sita nem eiusapis eaquunt, quatibus ratur? • Ditiur?
