

SPONSORSHIP OPPORTUNITIES

CHEFS EVENING

March 24, 2024

MEET CARRINGTON

Recognizing technology as one of the most powerful and quickly changing forces in the world, Carrington knew she wanted to one day make her mark by influencing it in a positive way for people and society.

With a love for the field and an entrepreneurial drive, she is now one step closer to achieving this mission - and to her dream career of building and running her own tech firm.

Thanks to friends like you, Carrington and so many other students are able to continue receiving an exemplary education, so they can make an impact in our communities.

READY TO MAKE A DIFFERENCE?

To maximize the exposure of your business, we encourage you to respond by **February 1, 2024 or sooner** by returning the enclosed form by mail or email to karley.fontenot@southeastern.edu.

CHEFS EVENING

To whom it may concern,

Will you partner with Southeastern to help students like Carrington? Each year the Southeastern Louisiana University Foundation, a 501(c)(3) organization, hosts Chefs Evening, an annual fundraising event, which supports student scholarships and academic programs. Our next event will be held on **March 24, 2024 in the Pennington Center**.

Chefs Evening, now in its 39th year, will feature the region's best restaurants, bakeries, bars, caterers and more -- all who come together to cultivate a one-of-a-kind culinary experience that can only be found in Hammond, America! Along with food and drinks, Chefs Evening features raffles, music, and a silent and live auction. We expect a crowd of over 500 guests -- **many of whom may want to know more about your business!**

This gala will not only provide exposure for your business, but will directly benefit our students. Funds raised go towards student scholarship funds and academic programs. Enclosed is a sponsorship information sheet, listing opportunities and their corresponding benefits that your business will receive.

We appreciate your consideration and would love to have you join us as a sponsor for Chefs Evening 2024!

Lion Up!
