Hazing Policy

Policy Statement

In compliance with Acts 635, 637, and 640 of the 2018 Regular Session of the Louisiana Legislature as well as Act 382 of the 2019 Regular Session of the Louisiana Legislature, the 2019 Louisiana Board of Regents Uniform Policy on Hazing, and the University System Policy, Southeastern Louisiana University ("the University") reaffirms in this Policy its mandate that any form of Hazing of any student is prohibited.

Purpose of Policy

The University including the Division for Student Affairs does not tolerate hazing, including the physical, mental or psychological abuse of any individual or individuals. All allegations of hazing will be fully investigated by the appropriate authorities. Any organization, and/or individuals within an organization, found responsible of hazing may face disciplinary action up to and/or including expulsion from the University and criminal charges.

Applicability

This policy applies to all Southeastern students, student organizations, potential student organizations, student organization advisors, alumni, volunteers, and faculty and staff, associated with student organizations.

1. Prevention and Education Programs

- a. Each new student shall be provided educational information on the dangers of and prohibition on Hazing during the new student orientation process in the form of a handbook.
- b. In addition, beginning the fall semester of 2019, each new student shall be provided education information on the dangers of and prohibition on Hazing during the new student orientation process either in person or electronically.
- c. If the student receiving this information is a minor, that information shall also be provided to the student's parents or legal guardians.
- d. The Hazing prevention education required in this policy shall include the information about criminal penalties for the crime of criminal hazing. University shall also provide information to Organizations on their obligations under the law, including the duty to investigate and report, and on the possible loss of funding and other penalties applicable to Organizations under the Hazing laws.

2. Organization Requirements to Operate at University

Each organization (as defined below in this policy and R.S. 17:1801.1), as a condition of operating at the University, is required to:

- a. Adopt the Hazing Policy and shall include the possible University sanctions against the Organization in the event of a reported or confirmed hazing incident and have a policy that prohibits hazing.
- b. Provide annually at least one hour of hazing prevention education that includes education relative to the

applicable hazing policies to all members, prospective members, and anyone who is employed by or volunteers with the organization. The education may be provided in person, electronically, or both.

- c. Report annually to the university the students, employees, and volunteers who have received the education with an attestation from each that they received the education.

3. Duty to Seek Assistance

- a. In accordance with the Hazing laws, any person at the scene of an emergency who knows that another person has suffered serious bodily injury shall, to the extent that the person can do so without danger or peril to self or others, give reasonable assistance to the injured person. If the serious bodily injury results in the death of the person, any person who violates the provisions of this Section shall be fined not more than two thousand dollars, imprisoned with or without hard labor for not more than five years, or both.
- c. It is important to note that consent is not a defense. It is not a defense against prosecution of an offense that the person against whom the hazing was directed consented to the Hazing Activity.
