

Southeastern Louisiana University Employee Safety Meetings

Document History

Responsible Administrator: Vice President for
Administration & Finance

Responsible Office: Environmental Health &
Safety

Revised Date: Fall 2016

Reviewed: Fall 2020

Southeastern Louisiana University adheres to all requirements of the Louisiana Office of Risk Management, including quarterly safety meetings. All state employees are required to participate in safety meetings. On a quarterly basis, Southeastern's Environmental Health & Safety Office notifies all employees that the quarterly topic is available thru Moodle. The ultimate responsibility lies with the Budget Unit Head to make sure all employees complete the training.
