FROM: Darius Woodfork,
Assistant Director of Student Engagement for Fraternity and Sorority Life

RE: Fraternity and Sorority Life Academic Standings

The **Spring 2025 Fraternity and Sorority Life Academic Report** is attached for your review. I would like to offer congratulations to **Delta Tau Delta, Alpha Omicron Pi, Zeta Phi Beta Sorority, Inc., Alpha Phi Alpha Fraternity, Inc.** for achieving the highest grade point average for their respective councils. Our entire community is to be commended, as well, for **8 out of 18** organizations attaining a chapter cumulative grade point average greater than **3.0**.

As always, chapter members completing internships or student teaching were not included in the chapter cumulative grade point average. Additionally, as stated in the Student Organizations/Fraternity & Sorority Life Policies and Procedures Handbook, the requirement to hold office for the **Spring 2025** semester remains a **2.5 cumulative** grade point average and a **2.5 previous semester** grade point average. Any officer not meeting these requirements should be replaced and the substitute reported to the Office for Student Engagement. *A replacement for those officers who do not meet the grade requirement will need to be submitted on or before Friday, September 5, 2025.*

Further, the University will continue the policy of a minimum grade point requirement for living on-campus. The requirement for living on-campus will be a minimum **2.0 cumulative** grade point average. Students residing in the Village are held to this standard as well.

Please continue to evaluate the strengths and weaknesses of your chapter's academic plan, set academic goals individually and collectively, and reward the efforts of those that achieve their goals. Should you need assistance, please do not hesitate to contact me.
