If approved, I understand that in order to receive my degree, I must return to Southeastern Louisiana University and fulfill all degree requirements as stated in the University Catalog.

Due to my decision to participate early in Commencement, I understand that:

1. My participation does not guarantee program completion at a later date. Program requirements must be fully met to receive a diploma.
2. I am participating as a "walk-only" student. My information will not be listed in the program or on Southeastern's website.
3. I am not eligible to be recognized for any honors that I may qualify for upon program completion (this includes the Southeastern honor stole, Latin honors announced, and President's Medal consideration).
4. I will submit a program completion application as required during the semester requirements are completed.

I further understand that until I have completed all the requirements, I will not receive my diploma, and that I cannot represent myself as a graduate. All undergraduate honors earned after all requirements have been met and all grades have been calculated will be communicated to the student.
