Graduate Professional Education

Three (37.5%) of the respondents are currently enrolled in a degree program, one plans on getting a Master's degree, one a doctorate, and one a professional. Two (25.0%) of the respondents have completed a professional degree. One (12.5%) plans on getting a Master's degree in the future, and two (25.0%) have no plans for further education. Of the respondents with graduate experience, one (20.0%) felt that Southeastern "Very Effectively" prepared them for further graduate/professional, three (60.0%) felt that Southeastern "Effectively" prepared them, and one (20.0%) felt they were "Ineffectively" prepared. Two (40.0%) indicated their program was "Very Closely Related" to their Baccalaureate degree, two (40.0%) indicated it was "Somewhat Related", and one (20.0%) indicated it was "Not at all Related".

Employment

Four (50.0%) of the respondents are currently employed full-time, one (12.5%) is employed part-time and satisfied with part-time employment, and two (25.0%) are unemployed but seeking employment. Of those who are employed full-time, two (50.0%) are employed in the state of Louisiana and two (50.0%) are employed out of state. Two (50.0%) are employed in a professional firm, one (25.0%) in K-12 education and one (25.0%) in a nonprofit organization. Two (50.0%) respondents indicated their education was "Effective" in preparing them for employment or improving their job performance and two (50.0%) indicated it was "Ineffective". Two (50.0%) of the respondents are employed in an area related to their Southeastern bachelors degree and two (50.0%) in an unrelated area. One (25.0%) respondent indicated a salary range of \$30,001-\$40,000, one (25.0%) indicated \$40,001-\$50,000, and one (25.0%) indicated \$50,000-\$60,000.

Overall Satisfaction with Southeastern

In general, respondents were satisfied with Southeastern. Thirteen percent (12.5%, n=1) had a Very Positive general attitude toward Southeastern, and an additional 50.0% (n=4) had a Positive general attitude toward Southeastern. One (12.5%) were neutral and one (12.5%) had a negative attitude towards Southeastern. When asked if they would recommend Southeastern to a friend or family member considering college, 25.0% (n=2) said they would with no reservations, four (50.0%) would with some reservations, one (12.5%) with strong reservations.

Four (50.0%) of the respondents indicated that if they were to do it again, they would elect to attend Southeastern for their baccalaureate degree and one (12.5%) would not. Two (25.0%) did not know if they would. Respondents were also asked if their college education had improved the quality of their life, regardless of the financial benefits. Seven (87.5%) of the respondents indicated that the quality of their life had improved.
