2023 - 2024 Highlights

- » Seventy-eight students earned Sophomore Honors Distinction for completing 15 hours of Honors courses with no grade lower than a 'B' by the end of their fourth regular semester in 2024-25.
- » Honors Diploma recipient Devin Schwaibald was awarded a National Science Foundation Graduate Research Fellowship to work on his PhD in Chemistry at Penn State. He also received the Top Honors Thesis Award in the spring - the second student ever presented this honor at Southeastern.
- » Thirteen seniors presented their theses and earned the Honors Diploma in 2023-24. The disciplines in which the theses were completed attest to the breadth of the Honors Program.
- » A STEM Living Learning Community was added.
- » Honors Diploma recipient and Biology major Annalea Giamalva won the first Top Honors Thesis Award in the fall.
