### GRANT AWARD NOTIFICATION

• PR/AWARD NUMBER:

P425E200370

RECIPIENT NAME:

Southeastern Louisiana University

Academic Affairs

#### **TERMS AND CONDITIONS**

(1) The Office of Management and Budget requires all Federal agencies to assign a Federal Award Identifying Number (FAIN) to each of their financial assistance awards. The PR/AWARD NUMBER identified in Block 2 is your FAIN.

If subawards are permitted under this grant, and you choose to make subawards, you must document the assigned PR/AWARD NUMBER (FAIN) identified in Block 2 of this Grant Award Notification on each subaward made under this grant. The term subaward means:

- 1. A legal instrument to provide support for the performance of any portion of the substantive project or program for which you received this award and that you as the recipient award to an eligible subrecipient.
- 2. The term does not include your procurement of property and services needed to carry out the project or program (The payments received for goods or services provided as a contractor are not Federal awards, see 2 CFR 200.501(f) of the OMB Uniform Guidance: "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards").
- 3. A subaward may be provided through any legal agreement, including an agreement that you or a subrecipient considers a contract.
- (2) Indirect cost applies to the extent that the reimbursement of indirect cost does not interfere with the statutory requirements.
- (3) You are authorized, in carrying out this grant, to utilize the higher threshold set for micro-purchase and simplified acquisition thresholds for federal assistance under this grant or under a contract you award under this grant established by recent statutory changes. These statutory changes raise the threshold for micro-purchases under Federal financial assistance awards to \$10,000 and raise the threshold for simplified acquisitions to \$250,000 for recipients. These higher thresholds are not effective until implemented in the Federal Acquisition Regulations (FAR) at 48 CFR Subpart 2.1 (Definitions), which has not yet occurred. See 2 CFR 200.67 and 200.88. For FY 2018, OMB is granting an exception allowing recipients to use the higher thresholds in advance of changes to the FAR. Please refer to Office of Management and Budget's Memorandum 18-18 regarding the statutory changes. If you have any questions about these regulations, please contact the program officer identified in Block 3 of this GAN.
- (4) The negotiated indirect cost rate or the indirect cost allocation plan approved for the entity identified in Block 1 of this GAN applies to this grant award.
