

## **Graduating Class Profile Academic Year 2012-2013**

### **Executive Summary**

Each summer, the Office of Institutional Research and Assessment prepares the Graduating Class Profile Report. This year's report contains information on the 2012-2013 academic year graduates. Basic demographics are included as well as information on how long the graduates have attended Southeastern and from which institutions students transferred.

During the 2012-2013 academic year, Southeastern conferred a total of 2,466 degrees, an increase of 51 (2%) degrees from the 2011-2012 academic year. Seventy-eight percent (78%) of baccalaureate degree recipients are White, Non-Hispanic, while sixty-four percent (64%) are female.

Some highlights include:

- Twenty-four percent (24%) of the graduates who started as Beginning Freshmen graduated within four years. This is the same percentage as the 2011-2012 graduating class.
- For transfer students, Southeastern's leading feeder school is Baton Rouge Community College followed by Louisiana State University – Baton Rouge, Delgado Community College, River Parishes Community College, University of New Orleans, Southwest Miss Community College, Louisiana Tech University, and University of Louisiana-Lafayette.
- The undergraduate baccalaureate program with the highest number of graduates in 2012-2013 is the B.G.S. in General Studies. This program is followed by the B.A. in Management, B.S. in Nursing, B.A. in Psychology, B.S. in Biology, and B.S. Accounting.
- The baccalaureate programs (at least 5 graduates) with the highest percentage of students who began as transfers are B.S. Engineering Technology, followed by B.S. Sport Management, B.G.S. General Studies, B.S. Supply Chain Management, B.A. Social Work, B.S. Occupational Safety, Health and Environment, and B.S. Nursing. In contrast, the programs with the lowest percentage of transfers are B.S. Biological Sciences, B.A. History, B.A. Psychology, B.S. Industrial Technology, B.A. English, B.A. Communication, and B.S. Kinesiology.
- Fifty-eight percent (58%) of the baccalaureate degree recipients started Southeastern as Beginning Freshmen. This is down eight percentage points over last year.
