

B.S. Athletic Training

Major Field Assessment 2003-2004

The Athletic Training Education Program is unable to provide statistical data at this time. We are a new program and are continuing to monitor every aspect of the program. As we continue to grow and develop, a statistical evaluation will be possible. At this time, we are compliant with all accreditation issues and will not be making any changes. To date, we have only had twenty-one graduates but plan to see these numbers increasing significantly.
