## 2005 - 2006

- ❑ Career Fair 2005, based upon employer participation, was the largest career fair in Southeastern's history. This annual, university-wide event was rescheduled from September 2005 to March 2006 due to Hurricane Katrina.
- ❑ Career Services had the highest recorded combined number of on-campus interviews (53), information sessions (4) and recruitment tables (54) in 2005 - 2006.
- ❑ Career Services also held two part-time job fairs in 2005-2006, one in Fall 2005 and the other in Spring 2006, impacting an estimated 1,000 students per event.
- ❑ Since its adoption on April 1, 2003, over 7,000 students and alumni have registered with eRecruiting, the internet-based recruitment software system that Career Services utilizes to provide students and alumni with access to thousands of employment opportunities locally and nationally.
