TESOL in Japan	11

### 2022 - 2023 Highlights

- » Southeastern organized a TESOL (Teaching English to Speakers of Other Languages) study abroad program in Japan with Niigata University for students pursuing the TESOL certificate.
- » Southeastern strengthened collaboration with several universities and organizations abroad, such as Salamanca, Micefa, Ionian University, Niigata, and Verona. Students from Niigata and Verona experienced a semester at Southeastern and vice versa.
- » Students from Japan and Italy attended Southeastern through cooperation agreements.
- » A total of \$72,661 was allocated for study abroad/away scholarships. They were awarded to 72 students to support their International Educational experience.
