Big Event will be April 20, 2024, at 6 AM for members of SGA. Please do not bring nice clothes, because they could be messed up during the service. If you know anyone interested in serving, including your student organizations, please contact the right people to assist them in getting signed up. The SGA banquet is coming up, so we're looking forward to celebrating everything we've been able to accomplish this year.

Student Life Chair Estelle Savario

We had the People with Periods Initiative meeting last week, and we've had a lot of clarification on what this will look like after it transitions out of its trial stage. There will be a tabling on April 9 from 10-12 for the DEI resolution. This week, There will be a breastfeeding area meeting, so please attend if you'd like to know more about that.

Senate Chair Kyle Hidalgo

Unfortunately, VP Matthews could not attend the meeting, so Kyle is standing in his place. There needs to be volunteers to author and sponsor upcoming travel grant bills—one for Delta Tau Delta, and one for Kappa Alpha Psi—Senators Day [DTD] and Gaudin [KAP] have volunteered to write and sponsor upcoming travel grant bills.

VII. Programs

VIII. Old Business

A. Legislative Member of the Year Award Vote

- a. The vote for a legislative member of the year was held via Google Form/QR Code. Discussion was held regarding the candidates, and there were no further nominations. The results from the vote will be announced at the SGA Banquet.

IX. New Business

A. There were location, date, and pricing changes made to the conference that Robyn Levetro is attending regarding Bill SP24-12 (a travel grant), which was referred by the Appropriations Committee and passed by the Senate without any documented amendments to the bill that would accommodate the necessary changes. To preserve the authenticity of the bill, and the accuracy for billing purposes, the Senate will need to rescind their vote to rediscuss.

1. **Senator DiMartino moves to rescind the vote. We will need a $\frac{2}{3}$ majority vote to rescind.**
2. **The vote passes unanimously—the vote has been rescinded.**
3. **We will now vote on the updated bill, with the new prices, dates, and location.**

- a) **Senator Gibson moves to vote on the amended bill. Senator Savario seconds.**

(1) The vote passes with a majority. (2 no votes)
