Last week, we spoke with Tyler Tran about Bill SP21- 03 to sponsor the Biology Undergraduate Society Refurnishing of the Thelma Ryan 3rd Floor Balcony. We voted to recommend this be for the following reasons: to make

another area on campus attractive, give students a place to sit, and a quiet place to study to improve productivity.

Also, Lauren Wicker spoke on Financial Bill SP21-04 about The Scolas Conference on April 19th. We voted to recommend this be for the following reasons: give students the opportunity to broaden their knowledge on Latin literature, give Lauren the opportunity to network and gather information that she can bring back to Southeastern, and it would be great representation for Southeastern's Spanish department.

The grant application is still open and the last day to apply is April 19th.

- g. Senate Chairman: Darnell Butler, Jr.
Goodluck to all SGA members who are running in the election!
