Louisiana National Guard Tuition Exemption

Who is eligible?

- Actively drilling members of the LA National Guard- Army or Air (cannot be in the Inactive National Guard- ING)
- Must be in good standing with the University (Cumulative GPA of 2.0 or higher)
- Must be in good standing with the Louisiana National Guard (no flags for PT, HTWT, drug test failure, etc.)
- Must have a home of record in Louisiana

How does it work?

- If you are eligible, you will receive free tuition at all in-state, public colleges or universities in Louisiana
- You are still responsible for all fees associated with attending, such as:
 - Books
 - Housing
 - Meal plan
 - All other university/state sanctioned fees
- You may use it to pay for an Associate's, Bachelor's, or Master's Degree
 - You may only use it to earn one degree
 - It will not pay for Doctorate level courses

Best Practices

- Submit your VCR to the OMVS right after completing priority registration. This will ensure your benefits are applied in a timely manner.
- Stay in good-standing with your National Guard unit and maintain good PT scores and Height/weight.
- Pay the balance on your LEONET account on-time to ensure you do not lose classes. Set up a payment plan if needed to split the payments up throughout the semester.
- Consider utilizing the Chapter 1606 monthly stipend while enrolled in school. The current monthly rate for full-time enrollment is \$466. This money can help you pay for fees, books, etc. Contact Mr. Leonard Acker at leonard.c.acker.civ@army.mil to see if you are eligible for this benefit.

Note: If you do become ineligible at any point, that does not mean you lose it permanently. Once you are back in good standing, you may begin using the benefit again.

Chapter 33- Post 9/11 GI Bill®

Who is eligible?

- Current and former service members who have:
 - Completed at least 90 days of qualifying Active-Duty service on or after September 11, 2001
 - Received a Purple Heart on or after September 11, 2001 and were honorably discharged
 - Served for at least 30 consecutive days on or after September 11, 2001 and were honorably discharged with a service-connected disability
 - You're a dependent child or spouse using benefits transferred by a qualifying Veteran or service member
- Go on to www.va.gov and click "apply for education benefits". You will apply for Post 9/11 GI Bill®. Complete the application and wait for your Certificate of Eligibility (COE) to come in the mail. We must have a copy of the COE on file in our office in order for you to use benefits at Southeastern.
 - If you are the dependent, you will need the Social Security # of the person who transferred their benefits to you when you apply online.

How does it work?

- If you are eligible, you will receive:
 - A percentage of your tuition and fee bill paid directly to the school. If you are 100%, they pay 100%. If you are only 60%, they will only pay 60% of the total.
 - The VA will not pay the school for vehicle registration fees, meal plans, on-campus housing or book fees because the monthly housing allowance and book stipend come directly to you for that purpose.
 - Monthly housing allowance for your zip code
 - Book stipend (up to \$1,000 per academic year)
- You must verify your enrollment with the VA every month or **you will not be paid**. If you opted-in to receiving text messages from VA, then you will receive a monthly text message that you must respond to. Otherwise, call 1-888-442-4551 to verify over the phone.
- Keep in mind that the money you receive from the VA is pro-rated based on the number of days you were enrolled in school that month. The first and last month of the semester are usually only half of the month, so expect to receive a partial payment during those months.

Chapter 1606- Montgomery GI Bill® Selected Reserve

Who is eligible?

- Actively drilling members of the National Guard and Reserves (Enlisted or Officers) who are serving on a six-year contract that:
 - Have completed Initial Active-Duty Training (Basic and AIT/BOLC)
 - Have a high school diploma or GED
 - Are in good standing with their unit
- You must contact Mr. Leonard Acker at leonard.c.acker.civ@army.mil to see if you are eligible before applying on the VA website.
- Go on to www.va.gov and click “apply for education benefits”. You will apply for Montgomery GI Bill® Selected Reserve Chapter 1606. Complete the application and wait for your Certificate of Eligibility (COE) to come in the mail. We must have a copy of the COE on file in our office in order for you to use benefits at Southeastern.
- This benefit can be combined with National Guard Tuition Exemption.

How does it work?

- Once we have received your COE, we will certify your enrollment with the VA.
- You must verify your enrollment each month with the VA by doing one of the following:
 - Visiting <https://www.gibill.va.gov/wave/index.do>
 - Calling 1-877-823-2378
- You will then receive a monthly stipend directly to your bank account at the rate comparable to your enrollment in school:
 - Full time (12 hours or more): \$466 per month
 - $\frac{3}{4}$ time: \$349 per month
 - $\frac{1}{2}$ time: \$233 per month
 - Less than $\frac{1}{2}$: 116.50 per month
 - Full time enrollment for summer is 6 hours
- Keep in mind that the money you receive from the VA is pro-rated based on the number of days you were enrolled in school that month. The first and last month of the semester are usually only half of the month, so expect to receive a partial payment during those months.

- Many students who qualify for Title 29 also qualify for a Federal VA benefit called Chapter 35, which is a monthly stipend for dependents.

House Bill 167 Tuition Exemption

Veterans living in Louisiana using Chapter 33 (Post 9/11) GI Bill® benefits with less than 100% GI Bill® coverage and a VA service-connected disability (10% or higher) may qualify for additional coverage of tuition and fees under Louisiana's HB 167. The service member must still have months/days remaining on their Post 9/11 in order to be qualified for this exemption. If you have already used up all of your Post 9/11, then this will not apply to you.

For example, a disabled veteran who has Post 9/11 GI Bill® at the 70% rating would formerly be responsible for paying the remaining 30% cost of attendance. However, the new HB 167 instructs schools to waive the remainder of that cost for disabled veterans living in LA. Therefore, the entire 100% cost of attendance (tuition and fees) will be covered.

Sample calculation:

Cost to attend Southeastern with 12 hours (tuition & fees only): \$4,000.38

Post 9/11 coverage at 60% means VA covers 60% of the total

$\$4,000.38 \times .6 = \$2,400.23$ covered by Post 9/11, leaving \$1,600.15 balance

HB 167 covers remaining 40% of the cost. $\$4,000.38 - 2,400.23 = 1,600.15$ covered by HB 167 exemption

$100\% - 60\% \text{ (Post 9/11)} - 40\% \text{ (HB 167)} = \0 cost to the student

If you think you may qualify, please contact our office for more information and instructions on how to apply.

CLEP Testing through DANTES

The College-Level Examination Program® (CLEP) offers you the opportunity to earn college credit for what you already know by taking any of the 30+ introductory-level college subject exams offered by College Board. CLEP exams test your knowledge level gained through previous experiences and your military training. CLEP exams are comparable to final undergraduate college course exams. Taking and passing these exams can enable test examinees to gain college credit* that can be applied to meet their degree requirements.

DANTES funds CLEP exam fees for eligible examinees and these exams could save hundreds or even thousands of dollars towards a degree, not to mention the time savings compared to 8-12 weeks in a classroom or online. Multiple exams are available, covering material commonly required for most degree programs. These exams can be taken at on-base and community National/International Test Centers and can be proctored remotely. Visit the CLEP Military page (<https://clep.collegeboard.org/clep-military-benefits>) for more information.

*College credit recommendations for these exams are made through the American Council on Education (ACE) and are subject to the acceptance of individual academic institutions.

These benefits are available to:

Military personnel (active duty, reserve, National Guard): Army, Navy, Marine Corps, U.S. Coast Guard, Army Reserve, Air Force Reserve, Marine Corps Reserve, Navy Reserve, Coast Guard Reserve, Army, and Air National Guard.

Spouses of: Coast Guard (active and reserve) and MyCAA Military Eligible Spouses.
