A. SGA President: — President Nechaeva

From Chief of Staff Emma Murphy on behalf of President Nechaeva;

Happy Homecoming week!

Make sure that if you volunteer or work at an event related to Homecoming or SGA that you wear your SGA polo.

The office is a bit crowded and being utilized as a working space right now so please do not remove or touch anything, it will be cleaned and put back to normal next week.

If you volunteered to help with Robin Roberts' visit to campus on Friday will hear from Maria in the coming hours. This will be business casual, with your SGA polo.

Make sure you join the Homecoming committee and sign up to volunteer and help, there are still many gaps to be filled.

Please attend all the Homecoming events this week either volunteering or just as a participant if you have the time. .

Please make sure you are reaching out to Maria or your respective branch head if you're not going to attend, but have already marked yourself as a volunteer for a time slot.

E. Director of Financial Affairs — Zachary Edwards

After today if we pass the one finance bill, we will have $29,166.30 left in our budget for this semester. We are halfway through the semester with roughly $30,00 of $40,000 total initially allocated. We are doing great, let's get more applicants in!

F. Internal Affairs Chair — Senator Vatter

Just as a reminder, the next few weeks will look a lot different for SE class visits as these students are in advising. Please plan your visitations accordingly.

G. Appropriations Chair — Senator Chavers

One bill was referred back to the Senate, and one tabled in last week's meeting.

Please attend the Appropriations meetings as we are in need of more participants, and run for vice chair. This committee desperately needs participants as we are currently at exactly quorum with no member absences, this could lead to issues in future meetings.

H. Student Life Chair — Senator Richards

We are still working towards the relaunch of People with Periods. We have bags to start proceeding with passing these out soon.

I. Senate Chair — Vice President Thompson

There have been lots of emails going out today from Abby so please keep up with your inboxes.

Please join the Appropriations committee, this will drastically affect our work and how quickly we are getting back our applicants. The meetings are in the Student Union Annex on Tuesdays at 6pm.
